SUMMARY OF INFORMATION:

Contract Amount: \$0 (Paid by North Carolina Department of Health and Human Services)

Archangels Transit, Inc. has bought the assets of Triad Transportation, Inc., which was one of three vendors awarded NEMT service contracts by this Board. This Resolution authorizes Archangels to provide the service formerly provided by Triad Transportation.

This contract provides for non-emergency medical transportation to an estimated 300 eligible individuals averaging 21,300 one-way trips per year. This provider will be the main provider of out-of-county transports, and will share the trip requests for in-county trips with the other vendors.

FCDSS staff determines transportation eligibility and verifies the trip billing. Approved trips are uploaded into NCTRACKS by the Medicaid Transportation Coordinator and paid directly by the North Carolina Department of Health and Human Services. The County is required to maintain the contracts and ensure contract compliance but is no longer required to make payment to the transportation vendors.
