Re: Curtis Fentress/486 N Avalon Rd. Winston-Salem, NC 27104

To Whom It May Concern:

Please be advised that I represent Curtis Fentress with respect to an ongoing dispute regarding taxes assessed on his property located at 486 N Avalon Rd Winston-Salem, NC 27104. The land was purchased by Mr. Fentress and his wife on 6.18.2020 as documented in a deed recorded at Book 3410 Page 2340 of the Forsyth County Registry. Thereafter, they began building their home with Homes by Hamrick.

Forsyth County values new construction buildings for tax purposes in a given year based on the % complete of that building on January 1st of that year. (need citation) On January 1st, 2019, the building in question was 73% complete per a mortgage inspection conducted by BB&T. Forsyth County Tax Department valued the building for tax purposes in 2019 at \$700,000. North Carolina law presumes that the Forsyth County Tax Department correctly applied its method in 2019 and placed an incomplete factor on the building in the building value assessment of the Forsyth County Tax Department. Forsyth County valued the same building for tax purposes in 2020 at \$634,700. There was no explanation for the reduction in 2020 from 2019 other than a clerical error having been made on the original appraisal in 2019 – namely failing to include the % complete factor in the final calculation on the property card. This reasoning is supported by the 2019 property card which fails to show the % complete factor, which we must presume the County properly had in mind.

Let this letter serve as my client's formal written request for refund pursuant to N.C.G.S. 105-381 et seq of property taxes which he has overpaid due to clerical error. Please recalculate my client's property tax for 2019 and refund him as required.

Best Regards,

Dana Wilson

G.S. 105-381 states that requests for refunds must be made in writing within five (5) years from the date the tax first became due or within six (6) months of the date of payment of such tax, whichever is the later date. G.S. 105-381 states that requests for releases must be made in writing at any time prior to payment of the tax. Please furnish the requested information and return this form to the address below within ten (10) business days:

Taxes for the year(s) 2019 have been paid(or taxed) on property identified as:

PIN or Account Number 6826-00-4064

Total Amount Paid(or Taxed): \$ 13,590.49

Please explain reason for release or refund: Clerical error -- 2019 property tax card did not include detail of building value or % complete factor which Kathryn reported she had in mind at the time of assessment. Building was 73% complete as of 1/1/19. Taxpayer is due a refund on 27% of building value. 2019 building value should have been 73% times 634,700 building equals \$463,331 plus 277,100 land value equals tax due of \$10,298.65 versus tax paid of \$13,590.49 equals refund due of \$3,291.84

Has a release or refund been made on this same tax receipt before? if so, state reason for release/refund:

No
