**SUBJECT: RESOLUTION AUTHORIZING SUBMISSION OF AN APPLICATION TO THE NORTH CAROLINA DEPARTMENT OF COMMERCE TO APPLY FOR A RURAL BUILDING REUSE GRANT TO SUPPORT ADDICTION RECOVERY CARE ASSOCIATION, INC.**

**COUNTY MANAGER'S RECOMMENDATION OR COMMENTS:** Recommend Approval

### SUMMARY OF INFORMATION:

Addiction Recovery Care Association, Inc. (ARCA), a residential drug and alcohol treatment center, is leasing County property located at 5755 Shattalon Drive in order to expand its operations. ARCA anticipates creating 13 jobs as part of this expansion and relocation. Prior to occupying the facility, ARCA has agreed to repair and renovate the building at an estimated cost of \$5,817,871. ARCA is seeking grant opportunities to assist in paying these costs.

The North Carolina Department of Commerce Rural Economic Development Division has a Building Reuse Grant program that assists with the renovation, expansion, or construction of health care facilities that will lead to the direct creation of new, full-time jobs. Applicants must be a local government, and ARCA has requested Forsyth County apply for a grant in an amount not to exceed \$130,000 to support its project. As part of this application, Forsyth County is required to provide a local match of 5% of the grant, which would not exceed \$6,500.
