for information on how to attend and see reverse side for "Interest Meetings."

## Why choose NC Farm School???

**Patricia and Marshall Lyons** said "NC Farm School was important because we didn't know anything about farming. We were able to get experience with many kinds of farms and make contacts that were invaluable."

**Mike Tate** said, "The value for us has to be well in excess of the ten thousand dollar mark when we consider the time we saved, the expense not incurred, and the value of success we have had so far."

**[www.ncfarmschool.com](http://www.ncfarmschool.com)**

## What we offer you!

The NC Farm School program offers business-planning seminars taught by University Specialist, which will give you the tools to create a viable business plan. Each business session focuses on different areas of a farm business.

- **Marketing, Budgeting, Finance, Risk Management, and Farm Production Training**
- **Time and Money saving advice from experienced farmers**
- **NC State University Specialist and professionals that are committed to your success**
- **Continued events and relationships to help you develop your business beyond 2016 NC Farm School**
- **10-20% in increased gross farm sales**
- **NC Farm School annual Summit Event provided for current students at no charge**
