Join us for our
Annual Spring Plant Sale

April 20 - 22, 2018

January 17 | Borders, Screens, and Hedges

Tyler O'Mara, Extension Horticulture Technician

In this lecture, we will discuss selection and correct installation, as well as proper care and pruning, of plant materials used for borders, screens, and hedges.

February 21 | Preparing the Home Landscape for Spring

Toby Bost, Extension Field Faculty Emeritus

Every season presents a gardening opportunity. Bost will share his expertise on maintaining ornamental plants in the garden and offer sage advice for keeping your plants healthy.

March 21 | Seasonal Natives for the Ruby-Throated Hummingbird

Susan Andrews, owner of Landscapes by Design

Learn about the life cycle, habits, and needs of the Ruby-Throated Hummingbird. Discover which southeastern native plants provide a sequence of blooms to feed hummingbirds in the Piedmont.

April 18 | Container Gardens

Gary Ritz, Extension Master Gardener Volunteer

Learn the fundamentals of design that will help you create gorgeous containers to enhance your home and garden.

Accommodation requests related to a disability should be made two weeks before the event to:
